OXFORDSHIRE COUNTY COUNCIL (ASTON ROWANT AND LEWKNOR AREA) (SPEED LIMITS) ORDER 20**

STATEMENT OF REASONS

Oxfordshire County Council is proposing to introduce a 20mph speed limit on various roads within Aston Rowant and introduce traffic calming measures in the form of buildouts on the B4009 Chinnor Road.

The proposals which are being put forward following road safety concerns raised by the Parish Council, will see a reduction of the existing 30mph speed limit to 20mph on the village roads. Buildouts are being proposed on the northwest and southeast sides of the B4009 Chinnor Road close to the village.

The County Council continues its responsibility to consider the provision of convenient and safe movement of motor vehicles and other traffic, and the proposed measure is aimed at ensuring that danger is minimised whilst facilitating the effective and safe passage of traffic.
