General Clerical Fees

A. Principles

The core principles for payments to electoral services staff during an election/referendum period are that:

- Staff are recognised for the additional work they undertake, which includes working in the evening, on Saturdays, Sundays and bank holidays
- The payments are accountable and transparent
- The payments are straightforward to administer and understand
- Staff will know in advance the basis of their payments and what they will be paid for
- The payments are fair

B. Policy

- All authorised hours worked over and above contracted hours will be paid at the standard council rates for the individual's position from the notice of election/referendum through to one week following polling day.
- Named electoral staff who work on polling day in the office will receive a single fixed payment equivalent to that of a presiding officer.

NOTES:

1. "Electoral area" means any district ward, parish or parish ward for which a separate election is held.
2. The fees prescribed for presiding officers and poll clerks are for the hours of poll from 7am to 10pm.
3. With regard to other electoral activities and events where there is not a fees and charges order set by Government (this includes but is not limited to business and residential neighbourhood planning referendums, council tax referendums and local polls) this schedule shall be used as the basis for calculating the fees and charges.
