The Thame Country Fair is where the countryside comes to life with some fabulous arena entertainment, lots of Country sports and pursuits to take part in or even try out for the first time. You might want to just meander around the shows various shopping aisles and marquees, looking at a wide range of Country, Craft & Food retailers, maybe finish it off with a refreshing drink or two in one of the food courts with the relaxing atmosphere of live Jazz and Folk.

The show boasts a dynamic programme of entertainment in its two main arenas, with the addition of one or two new faces and acts.
